

JOB OPENING

NMWRD ASSISTANT MANAGER/DISTRICT ENGINEER

The Northern Moraine Wastewater Reclamation District is seeking an Assistant Manager/District Engineer. This position is a salaried exempt leadership/management position reporting directly to the District Manager. Applicants should have a Bachelor's Degree in engineering, retain an engineering license in the State of Illinois and have supervisory experience. Other combinations of education, skills, experience and certification may be considered. Excellent oral and written communication skills are a prerequisite. The current salary range for the position is \$86,520 - \$103,000 and the District provides excellent benefits.

Duties encompass all facets of wastewater engineering as well as assisting in the management of all operational and business functions of the District. The selected applicant will be responsible for monthly written and oral reports to the District's Board of Trustees. Five years of progressive responsibility from planning through construction of major wastewater related projects or wastewater facility management is highly desirable. The Assistant Manager/District Engineer will be responsible for managing engineering consultant services when necessary and undertaking in-house projects from concept to completion whenever possible.

Applicant should be able to show progressive experience with managing personnel and must be approachable and team oriented. The Assistant Manager/District Engineer will fill the role of Acting Manager in the absence of the District Manager and may play a key role in the District's succession plan. The Assistant Manager/District Engineer will be the point person for keeping the District current with both emerging technologies and best management practices relating to facility operations, management, and engineering.

Interested individuals should email a cover letter, resume with professional references, and salary requirements to elecuyer@nmwrdd.org. Contact Eric Lecuyer, District Manager at 845-526-3300 ext. 101 with any questions.

The Northern Moraine Wastewater Reclamation District is an Equal Opportunity Employer.
