

RESOLUTION

WHEREAS, the State of Illinois has enacted "An Act regulating wages of laborers, mechanics and other workers employed in any public works by the State, county, city or any public body or any political subdivision or by any one under contract for public works," approved June 26, 1941, codified as amended, 820 ILCS 130/1 et seq. (1993), formerly Ill. Rev. Stat., Ch. 48, par. 39s-1 et seq. And

WHEREAS, the aforesaid Act requires that the Northern Moraine Wastewater Reclamation District of Lake and McHenry Counties investigate and ascertain the prevailing rate of wages as defined in said Act for laborers, mechanics and other workers in the locality of Lake and McHenry Counties employed in performing construction of public works, for said Northern Moraine Wastewater Reclamation District.

NOW THEREFORE, BE IT RESOLVED BY THE PRESIDENT AND BOARD OF TRUSTEES OF THE NORTHERN MORAINES WASTEWATER RECLAMATION DISTRICT:

SECTION 1: To the extent and as required by "An act regulating wages of laborers, mechanics and other workers employed in any public works by the State, County, city or any public body or any political subdivision or by anyone under contract for public works," approved June 26, 1941, as amended, the general prevailing rates of wages in this locality for laborers, mechanics and other workers engaged in the construction of public works coming under the jurisdiction of the Northern Moraine Wastewater Reclamation District is hereby ascertained to be the same as the prevailing rate of wages for construction work in the Lake and McHenry Counties area as determined by the Department of Labor of the State of Illinois as of June 1, 2019, said rates being the latest rates determined by the Illinois Department of Labor and a copy of that determination being attached hereto and incorporated herein by reference. As required by said act, any and all revisions of the prevailing rate of wages by the Department of Labor of the State of Illinois shall supersede the Department's June 1, 2019 determination and apply to any and all public works construction undertaken by the Northern Moraine Wastewater Reclamation District. The definition of any terms appearing in this resolution which are also in aforesaid act shall be the same as in said act.

SECTION 2: Nothing herein contained shall be construed to apply said general prevailing rate of wages as herein ascertained to any work or employment except public works construction of the Northern Moraine Wastewater Reclamation District to the extent required by the aforesaid Act.

SECTION 3: The Northern Moraine Wastewater Reclamation District shall publicly post or keep available for inspection by any interested party in the main office of the Northern Moraine Wastewater Reclamation District this determination or any revisions of such prevailing rate of wage. A copy of this determination or of the current revised determination of prevailing rate of wages then in effect shall be attached to all contract specifications.

SECTION 4: The Northern Moraine Wastewater Reclamation District shall mail a copy of this determination to any employer, and to any association of employers and to any person or association of employees who have filed their names and addresses, requesting copies of any determination stating the particular rates and the particular class of workers whose wages will be affected by such rates.

SECTION 5: The Northern Moraine Wastewater Reclamation District shall promptly file a certified copy of this Resolution with both the Secretary of State Index Division and the Department of Labor of the State of Illinois.

SECTION 6: The Northern Moraine Wastewater Reclamation District shall cause to be published in a newspaper of general circulation within the area a copy of this Resolution, and such publication shall constitute notice that the determination is effective and that this is the determination of this public body.
