7. **Owner's Remedies**

If it should appear at any time prior to the Owner's final payment for the Work that Bidder has failed or refused to prosecute, or has delayed in the prosecution of, the Work with diligence at a rate that assures completion of the Work in full compliance with the requirements of this Contract/Proposal, or has attempted to assign or subcontract this Contract/Proposal or Bidder's rights and obligations hereunder, either in whole or in part, without Owner's prior written consent, or has falsely made any representation or warranty in this Contract/Proposal, or has otherwise failed, refused, or delayed to perform or satisfy any other requirement of this Contract/Proposal or has failed to pay its debts as they come due (collectively, "Event of Default"), and has failed to cure any such Event of Default within five business days after Bidder's receipt of written notice of such Event of Default, then Owner shall have the right, at its election and without prejudice to any other remedies provided by law or equity, to pursue any one or more of the following remedies:

A. Owner may require Bidder, within such reasonable time as may be fixed by Owner, to complete or correct all or any part of the Work that is defective, damaged, flawed, unsuitable, nonconforming, or incomplete; to remove from the Work Site any such Work; to accelerate all or any part of the Work; and to take any or all other action necessary to bring Bidder and the Work into strict compliance with this Contract/Proposal.

B. Owner may perform or have performed all Work necessary for the accomplishment of the results stated in Section 1 above and withhold or recover from Bidder all the cost and expense, including attorneys' fees and administrative costs, incurred by Owner in connection therewith.

C. Owner may terminate this Contract/Proposal.

D. Owner may withhold from any progress payment or final payment, whether or not previously approved, or may recover from Bidder, any and all costs, including attorneys' fees and administrative expenses, incurred by Owner as the result of any Event of Default or as a result of actions taken by Owner in response to any Event of Default.

E. Owner may recover any damages suffered by Owner.

8. **Acknowledgements and General Terms**

Bidder acknowledges and agrees that:

A. Reliance. Owner is relying on all warranties, representations, and statements made by Bidder in this Contract/Proposal.

B. Conflicts of Interest. Bidder represents and certifies that, to the best of its knowledge: (1) no elected or appointed official, employee or agent of Owner has a personal financial interest in the business of Bidder or in this Contract/Proposal, or has personally received payment or other consideration for this Contract/Proposal; (2) neither Bidder nor any person employed or associated with Bidder has (and during the term of this Contract/Proposal shall not acquire or obtain) any interest that would conflict in any manner or degree with the performance of this Contract/Proposal.

C. Reservation of Rights. Owner reserves the right to reject any and all bids, reserves the right to reject the low price proposal, and reserves such other rights as are set forth in the Instructions to Bidders.

D. Acceptance. If this Contract/Proposal is accepted, Bidder shall be bound by each and every term, condition, or provision contained in this Contract/Proposal and the attachments hereto.

E. Remedies. Each of the rights and remedies reserved to Owner in this Contract/Proposal shall be cumulative and additional to any other or further remedies provided in law or equity or in this Contract/Proposal.

F. Cumulative Effect; Conflicts. This Contract/Proposal, including all of the Attachments, shall be interpreted so that the duties and obligations imposed herein are cumulative, unless otherwise specifically provided. In the event that a conflict exists or arises between the terms set forth in the body of this Contract and any of the Attachments hereto (including, without limitation, any conflicts between the body of the Contract and the project specifications or supplemental contract terms set forth in Attachment A), then the body of the Contract shall control. In the event of a conflict between or among any of the Attachments hereto, then the provision that provides the greatest control and protection for the District, as determined by the District Manager, shall control.

G. Time. Time is of the essence in the completion of this Contract/Proposal. Except where stated otherwise, references in this Contract/Proposal to days shall be construed to refer to calendar days.

H. No Waiver. No examination, inspection, investigation, test, measurement, review, determination, decision, certificate, or approval by Owner, whether before or after Owner's acceptance of this Contract/Proposal; nor any information or data supplied by Owner, whether before or after Owner's acceptance of this Contract/Proposal; nor any order by Owner for the payment of money; nor any payment for, or use, possession, or acceptance of, the whole or any part of the Work by Owner; nor any extension of time granted by Owner; nor any delay by Owner in exercising any right under this Contract/Proposal; nor any other act or omission of Owner shall constitute or be deemed to be an acceptance of any defective, damaged, or nonconforming Work, nor operate to waive or otherwise diminish the effect of any representation or warranty made by Bidder; or of any requirement or provision of this

Contract/Proposal; or of any remedy, power, or right of the Owner.

I. Severability. The provisions of this Contract/ Proposal shall be interpreted when possible to sustain their legality and enforceability as a whole. In the event any provision of this Contract/Proposal shall be held invalid, illegal, or unenforceable by a court of competent jurisdiction, in whole or in part, neither the validity of the remaining part of such provision, nor the validity of any other provisions of this Contract/Proposal shall be in any way affected thereby.

J. Amendments. No modification, addition, deletion, revision, alteration, or other change to this Contract/Proposal shall be effective unless and until such change is reduced to writing and executed and delivered by Owner and Bidder.

K. Assignment. Neither this Contract/Proposal, nor any interest herein, shall be assigned or subcontracted, in whole or in part, by Bidder except upon the prior written consent of Owner.

L. Acceptance as Full Payment and Satisfaction. The acceptance by Bidder of full payment for the Work shall operate as a full and complete release of Owner of and from any and all lawsuits, claims, demands, damages, liabilities, losses, and expenses of, by, or to Bidder for anything done, furnished for, arising out of, relating to, or in connection with the Work or for or on account of any act or neglect of Owner arising out of, relating to, or in connection with the Work, except the claim against Owner for the unpaid balance, if any, of any amounts retained by Owner pursuant to this Contract/Proposal.

M. Cleanliness of the Work Site and Environs. Bidder shall keep the Work Site and adjacent areas clean at all times during performance of the Work, shall remove and properly dispose of all waste and surplus materials in conformance with applicable law, and shall leave the Work Site and adjacent areas in a clean and orderly condition at the end of each workday.
