

NORTHERN MORAINE W R D

JOB OPENING

NMWRD Engineering Intern

The Engineering Intern is a confidential non-exempt position and will report directly to the District Manager. Applicants should be pursuing a Bachelor's Degree in Civil or Environmental Engineering. Excellent oral and written communication skills are a prerequisite. Starting wage is \$15.59 - \$21.10 per hour and the position is limited to 1,000 hours for the calendar year 2022.

Duties encompass all facets of wastewater engineering. The Engineering Intern will assist in undertaking in-house projects generally involved in the repair, replacement or rehabilitation of facilities from concept to completion whenever possible. The position will also perform construction observation on District projects, review and management of sewer cleaning and televising work and development of a Computer Maintenance and Management Program and GIS for the District. Experience in drafting and managing permit applications for major capital improvement projects is highly desirable. Strong computer skills including experience with AutoCAD, ArcGIS software, Computerized Maintenance and Management Software is strongly recommended. The Engineer Intern must be able to perform remote work efficiently.

Interested individuals should email a cover letter, resume with professional references, and any questions to haque@nmwrd.org. Contact Mohammed Haque, District Manager at 845-526-3300 ext. 101 with any questions. This notice will remain until position is filled.
