

NORTHERN MORAINE W R D

JOB OPENING

NMWRD LAB TECHNICIAN / WASTEWATER OPERATOR

The Northern Moraine Wastewater Reclamation District has an immediate opening for a Lab Technician/Wastewater Operator. This is a non-exempt position with joint responsibility for laboratory sampling and testing as well as the operation, repair and maintenance of equipment and the monitoring of the District's wastewater treatment facilities, comprised of the collection system and treatment plant. Work will comprise a mix of lab responsibilities and operations responsibilities. Routine on-call responsibilities will be necessary.

Applicants with wastewater lab, plant and/or collection system operational experience and an Illinois Class 4 or higher Wastewater Operators license will be preferred. A high school graduate (or equivalent) and a valid driver's license is required.

Other combinations of education, skills, experience and certification may be considered. Excellent oral and written communication skills are required. Starting Range is \$23.87 – \$32.30 per hour, depending on qualifications and certifications. The District provides excellent benefits, including Illinois Municipal Retirement Fund.

Duties encompass all facets of wastewater facility operations, maintenance and repairs on the District's 2 MGD treatment plant and extensive collection system.

Applicant should be able to show knowledge of the principals and practices involved in the operation and maintenance of wastewater collection, conveyance, and treatment systems. Interested individuals should email a cover letter and resume, including professional references to Mohammed Haque, District Manager at haque@nmwrdd.org.

The Northern Moraine Wastewater Reclamation District is an Equal Opportunity Employer.
