NORTHERN MORAINE
WRD

The Northern Moraine Wastewater Reclamation District is a public body formed under the Sanitary District Act of 1917 and operates a treatment plant and collection system since 1978. We provide sanitary sewer service and wastewater treatment to more than 15,000 people across Lakemoor, Port Barrington, Island Lake, and Holiday Hills. We operate and maintain 24 pump stations, 80 miles of sanitary sewer mains and the 36-acre Water Resource Recovery Facility site with a design average capacity of 2 million gallons per day.

The District employs 10 full time employees and 3 part-time employees and has one office with a primary address of 113 Timber Trail in Island Lake, Illinois. The FY 2026-27 budget is $13,335,755.64.

Board meetings are held on the 2nd Monday of each month at the District Office, unless posted otherwise. Our board of trustees consists of the following residents:
